

### Crime

- 14 SRs (11 Campbell, 3 SBU)
- 619 included publications in total
- 428 journal articles / 191 gray publications = 69% journal articles
- Average percentage of journal articles in systematic reviews is 74%
- Databases needed to identify all references:
  - Scopus finds 392/428 (92%)
  - Scopus + Criminal Justice Abstracts finds 412/428 (96%)
  - Scopus + Criminal Justice Abstracts + SocINDEX finds 417/428 (97%)
  - Scopus + Criminal Justice Abstracts + SocINDEX + ERIC + Academic Search Premiere or Sociological Abstracts finds 419/428 (98%)
  - 9 journal articles are not indexed in the searched databases

## Homelessness

- 4 systematic reviews (all Campbell)
- 334 included publications in total
- 314 journal articles / 20 gray publications = 94% journal articles
- Average percentage of journal articles in systematic reviews is 93%
- There is a substantial overlap of included publications between the reviews, after deduplication there were 214 unique journal articles included in the analysis
- Databases needed to identify all references:
  - Scopus finds 208/214 (97%)
  - Scopus + APA PsycInfo finds 211/214 (99%)
  - Scopus + APA PsycInfo + Medline Ovid finds 213/214 (99%)
  - Scopus + APA PsycInfo + Medline Ovid + Embase finds 214/214 (100%)
